

# Member Identity Protection Services

The identity protection of our members' private information is our top priority. To provide you with optimal protection, we offer you identity protection services through Experian®, an industry leader in providing credit monitoring and identity theft protection services. This service is being provided to you, free of charge, for as long as you are a Blue Cross member.

## Experian Identity Protection Services Include:

- Credit monitoring—an ongoing review of activity that may affect credit
- Fraud detection—the identification of potentially fraudulent use of your identity or credit
- Credit and identity repair—assistance in resolving issues of fraud that negatively impact your credit or identity
