

Northern Berkshire Community Resource Guide

March 2018

Finding help for your neighbor or another community member can be difficult and time consuming. Although there is often help available for most situations, finding the right community resource to fit that situation can be difficult. This guide outlines local resources that will assist you in supporting others. These agencies and programs have a common goal of helping people in our community and can be accessed directly. If you need further help or advice, call one of the agencies on the back to help you get started.

This resource guide is brought to you by:
